

Certified Master Negotiator

Why Attend

- Negotiators tend to concede too much, and focus on price and not enough on exchanging services other than price. The course focuses on these problems and the practical skills and techniques necessary to achieve win/win agreements. Participants will learn to identify, select, and execute various tactics and to respond to adversarial tactics.
- It is an engaging workshop that equips negotiators and sales professionals to find and prove the value of their offering and resolve difficult negotiating challenges in a collaborative manner. The course will also provide you with a set of tools to handle the most demanding negotiation like a master. By working on a carefully chosen array of cases you will learn how to enhance your analytical skills and build your intuition, both of which are prerequisites for successful negotiations.

Course Methodology

- The course uses a mix of interactive techniques, such as brief presentations by the consultant and the participants, role plays (rehearsed and impromptu), self-assessment questionnaires, relevant videos, and multiple simulation games..

Course Objectives

By the end of the course, participants will be able to:

- Assess their own negotiating strengths and weaknesses and those of the other side to optimize negotiation outcomes.
- Identify areas of weakness in understanding to prepare a good negotiation plan.
- Master the process of sales negotiation to achieve long-lasting and mutually profitable agreements on timely-basis.
- Use a variety of skills necessary to conduct successful negotiations
- Apply the concessions management process with minimum loss while preserving good relationship with the counter party.

Target Audience

- Marketing and sales professionals, corporate executives, advertising managers, business development managers, sales personnel, purchasers, and others who are involved in commercial and negotiation activities at all levels of the organization.
